### **UIAA introduces new Executive Director**

It is with great pleasure that I am able to announce that the UIAA has engaged a new Executive Director. This person is Ingo Nicolay who joined the UIAA on July 1, 2010.

Ingo comes to us with very impressive credentials. Not only in business but more importantly for us, as the president of the Heilbronn Section of the DAV, the German alpine club.

In this capacity he has been the president of a club of 10,000 members. As such Ingo knows how to work with people in a not-for-profit organization where the challenge is to work with the motivated volunteers within the UIAA.

At this time we must express our gratitude to Ingo's predecessor, Judith Safford, for all of her hard work in the past and we wish her all the best in the future.

I hope you will all join me in welcoming Ingo to the UIAA.

Mike Mortimer  
President
