Have received the diploma of participation in **UIAA Youth Commission Camps 2005 & Global Youth Summit 2005 SEMINAR "Route setting on natural rock for sport climbing"** and knowledge which, I hope, will be very useful them in the further climbing life.

One more of the main results of a seminar occurrence of new routes on rock "Tolstik" both the equipment and clearing of a new wall of the rock above water. The insurance on which is possible from the planked footway established by a rock.

Another event also occurred afterwards taking part in the « **On-sight Marathon** ».

Numerous fans and 61 sportsman have taken part in competitions « **On-sight Marathon** » from Ekaterinburg, Sankl-Petersburg, Izhevsk, Tyumen, Magnitogorsk, Miass, Shadrinsk, item. Progress, Kourovka, Asturias (Spain). Among them 10 masters of sports winners of many prestigious competitions in Russia and abroad.

At opening ceremony there were official representatives of the Governor of Sverdlovsk area Vadim Dubichev and Michael Sveshnikov which, together the president of Federation of rock-climbing of Russia Alexander Piratinskim have lifted above a rock a flag of Sverdlovsk area.

Weather favoured and has enabled sportsmen to show everything, on what they are capable.

The best "on-sighters" this time became masters of sports **Raihan Galiakbarov and Anna Galljamova.**

All trainers and participants, have remained are very pleased with competitions, the seminar, routes and certainly to generous prizes of firm "MANARAGA". Perfect tents have got not only to winners of the basic competitions, but also the best in consolatory starts - the Century named the Class B.

All with impatience wait for the following competitions.

For now there is an opportunity to go on Tolstik and to use the main prizes of the project « Rocks for everyone » - the sports routes equipped in a picturesque place.
