Further details and link to the accommodation list on the Saas Fee website. There you can find all hotels and apartments in the Saas Valley that offer special prices for all participants of the competition. Please notice that the tourist office does not book any accommodations, you have to do it by your self. The offers are only valid for athletes and coaches, not for friends and family. The hotels are allowed to charge the normal price if we see that other people beside athletes and coaches booked those rooms!
