Administration

1 Procedure for obtaining a Qualification Label

The applicant has to prove the conformity of the qualification system to the corresponding UIAA Standard.

Application phase: The way to proceed is described below:

1) send the application form and accompanying documents online.
2) The MQL Chairman (or another member appointed by him/her) assesses the „scheme“ for which the application is received & proposes a validator to this organization and informs the applicant & MQL Administrator.
3) UIAA office sends the invoice for registration or/and accreditation visit
4) Process starts once payment is received & Agreement is signed and returned

b) Induction and Validation Phase

Induction and Validation visit(s) by mutual agreement of suitable date(s)
After induction and validation visit, the UIAA validator(s) send his/their report based on Activity Evaluation Checklist to Training Panel.
If the criteria in evaluation checklist are met, the applicant will be issued a UIAA MQL certificate.

c) All fees, travel and expenditure costs are paid
2 Delivery
If all the conditions specified in Section 1 have been met, the MQL Administrator shall issue a Certificate to the applicant organization who will then become a MQL Holder.

The newly certified MQLH will be published as ‘approved’ on the UIAA website page simultaneously with the delivery of the certificate.

3 Validity
The MQL certificate is valid for 5 years from the date of issue.

A MQL certificate is only valid for the MQLH whose name is on the certificate and for the specific scheme(s) of Training Standard as stated on the certificate.

4 Revalidation & Termination
a.) Revalidation – Before the expiry of the Qualification Label, a revalidation application must be completed to confirm that all compulsory elements of the qualification scheme have been maintained. The Training Panel may require an additional validation visit if significant changes are identified or reported.

b.) Termination – If the applicant wants to terminate a Qualification Label at the end of the current year, the MQL Administrator must be informed. Details of all expired or cancelled MQL will be archived by the UIAA for ten years.

5 Withdrawal
The Training Panel shall withdraw an existing MQL from the applicant in the following conditions:

a. Non-compliance
   ● If the qualification scheme no longer meets the requirements of the relevant Qualification Labels.

b. Default in renewal of certificate
   ● If the revalidation report is not completed satisfactorily.

c. Default in payment of fees
   ● If the MQLH has not paid the UIAA membership fee.
   ● If there are delays in payment.

d. Misuse of the Qualification labels
If a MQLH misuses the UIAA Training Qualification labels Label in any way. See disputes handling (last section).

In case of a withdrawal, an appropriate notice will be published on the UIAA website. The MQLH will be informed immediately in writing of any product withdrawal and the reason for the withdrawal.
