- ✓ Adventure Games
- ✓ Team Building Challenges
- ✓ Rope Skills

The Third International Mountain Youth Camp of the Cyprus Mountaineering, Climbing and Orienteering Federation, C.M.C.O.F will take place between 08 and 13 July 2024, at the mountain hut of the new federation "Green Valley" in Kakopetria, near Troodos.

Boys and girls between the ages of 8 and 14 will have the right to participate in this Youth Camp. The camp can host up to 36 children and young people from various cities of Cyprus and UIAA member countries.

Our program will include a variety of activities such as climbing, mountaineering, archery, orienteering and lesson of our mountain culture both theoretically and practically. Very important to emphasize is that the children will be taught the safety rules of the above activities and will have the opportunity with the support of our instructors and guides to familiarize themselves with the sport of orienteering and acquire skills such as team building, communication, creativity, friendliness, self-confidence and cooperation both with other children and with nature. The program of activities of our camp will be designed and implemented by our Federation.

Let us mention that our climbing instructors, hiking leaders and all of our youth workers are fully qualified and certified for the above activities and willing to welcome, teach and ensure the safety of our children and give them unforgettable moments.

All relevant insurance is applicable.

If you are interested in registering for our youth camp, registration will be open from March 18, 2024 until our Hut space is fully booked. The price for booking all days is 420 euros. The amount include accommodation, food, transportation and all the above activities. You will be able to register online through our website:

<https://komoaap.com.cy/>

We look forward to welcoming you to our country and to our new Hut for new experiences.

President of C.M.C.O.F

Pavlos Georgiades
