About UIAA Global Youth Summit events: These events are a great opportunity to meet a varied group of young climbers from home and abroad, and make new friends, as well as exchange climbing techniques.

Schedule / activities:

The main goal of this youth climbing camp is to practice many forms of ice climbing, single-pitch, or multi-pitche routes; all the ice climbing sites are described on this link: <http://www.ice-fall.com/>

There is also a training during the camp, with a guide for future Ice Instructors FFCAM; during this training camp, we will explain:

- the use of different sort of equipment (ice screw, crampons, ice axe, ...),
- the way to climb on ice safely and to make a safe belay,
- evaluating the ice and its quality,
- a first approach on how to climb in "dry tooling"

and also how to manage an Ice training school for inexperienced climbers .
